

## Visiting Adult Inpatient Areas

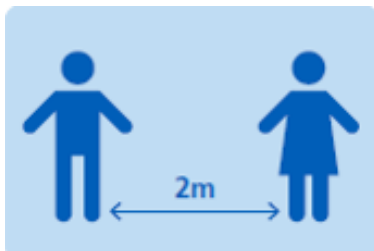

If you have any Covid-19 symptoms or feel unwell, please do not visit our hospital

Patients must wait until they have a negative swab result before they can have visitors. This should take 24 hours.

You may NOT visit without a face covering – please bring & wear your own or you can get one from the hospital main entrance if necessary

Social distancing must be observed at all times

Wash hands or use sanitising gel on entering and leaving the ward

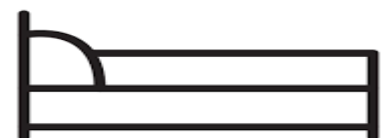

Please sign in on entry to the ward

### Visiting times:

Bed number odd 2 - 3pm

Bed number even  
or side room 3.30 - 4pm

## Visiting Adult Inpatient Areas

No more than **one visitor** must be designated to visit for the entire time that the patient is at the hospital.  
This is to reduce the risk of cross-infection.  
Anyone else can contact via video messaging. Our wards have iPads & phones available for this purpose if necessary.  
Please ask the ward for details.

Refreshments are available for visitors in the N19 Food hall

Do not eat or drink whilst visiting the ward

You cannot use the toilet on the ward.  
Public toilets are available elsewhere in the hospital

Do not sit on beds. Chairs are provided

Exceptions to these visiting rules are:

Paediatrics  
Maternity  
NICU/SCBU  
End of Life  
Carers  
Emergency Department

Please go to our website for further details

We take the safety of our patients, staff and visitors very seriously.

You may be asked to leave if you don't follow these rules
